~~The Govt. of India~~
The Govt. of India has stated
in its last monthly telegram to
the Govt. of India that relief arrange-
ments are being restricted in
part by want of subordinate
officers, and in reference to this
the Govt. of India enquires whether the
difficulty is serious and whether
any assistance from outside is
wanted. The Govt. of India appears to
be arranging to supply the Bengal
Govt. with a large number of
non-commissioned officers drawn
from the British army and officers of
the native army and superintendents
of relief works and asks if similar
arrangements will be useful.

2. We have directed the Board of Rev (L.R.) and (S.R.) & Supdt Revenue to submit statements showing the number of officers that can be spared for famine duty from the Collectorate staff of non-affected districts, from the Salt Dept & from the Survey Dept. We have also asked the P.D. to make enquiries of L.G. & Madras forces as regards Sappers & miners. We do not yet know what officers will be available locally.

I think the 3 of I should be told that we are trying to get officers for famine duty from other depts than the Revenue depts, & that there is no immediate necessity to get officers from other Presidencies, but we will apply to the Govt. for help as soon as we find that it is needed.

I think this may do for the present. The chief difficulty seems to be to get enough subordinates in the Ceded Districts in the Uniga part of the - India could

xx know how many relief officers have been apptd. If many, it would be well, I think, to get some more of the kind (British or native) to supervise them & relief generally. Must be done than the Dacca could look after the other one too, if they are still necessary. Don't know says there must enough of them in Andalaph that the weavers' relief is not being properly supervised -

It is impossible to get a small

man in the district
