Proceedings of the Board of Revenue
(Land Revenue).

No. 61 Misc., dated 7th January 1897.

Read the following letter from the Paymaster, Carnatic Stipendiaries, Channarayana, No. 437, dated 24th November 1896, to the Secretary to the Board of Revenue (Land Revenue.)

With reference to Board's Proceedings No. 4335 dated 21st September 1896 para 5, I have the honor to state that the information collection in the above proceedings not being available from this office records, I referred the matter to the Prince of Arcot to obtain the necessary information from his Agent at Trichinopoly. The reply with its Enclosures which was only received to day is herewith enclosed for the Board's information.

Resolution

From the records available in the Board's Office and in the office of the Income Commissioner, it appears that the village of Horendi was one of the villages alienated by the late Babob of Arcot for the support of mosques ^{and} now looked after by his Agent. It seems therefore unnecessary to interfere with the five cases of artisan Service Inams under reference. Moreover services are stated to be rendered in three of these cases.
