My dear Stokes -
 I have been to the
 Fair at the 3000 acres at
 Regadipalle. Some good in con-
 dition & many more. Then went
 to Curdipah & met the
 St. Committee. Saw kitchen
 which is very creditable indeed

 people on work on Bagga road.
 I was told to be very in
 good condition. S. Thomas was

 had refused this strike, would
 a hell for the coolies. Came here
 to meet the people. And two letters
 & discussed with them.

He did a thing which I did not
 think of to go to make works be
 a strike. I find that in C. & A.

 Anantapur on $\frac{2}{3}$ rape & $\frac{1}{3}$

 cannot touch Alur or Adur.
 They eat nothing but white Cholan
 & there is nothing else to eat & rape
 is not sold in Alur. So too is

My dear Mr. Le Fanu.

I should be glad to know if you are coming up this way any time next month, so that I can make my arrangements accordingly. As at present arranged I set to start up on 4th. sol - stop there 5-6th to conduct examinations and then go on tour round Bellary, Panchollapur and Gauran Taluqs. which will take me on to the end of July.

Things here are not very lively. The monsoon seems to have spent itself in its first burst, and the West Coast rain doesn't seem to work its way across. I have just come back from Belakur which is getting bad in parts. The number of fatalities

Dear Mr. Le Tasse

Things have altered
 much for the last time. Mr
 was here. Prices rushed
 up & then came down
 with a vengeance. There we are in

 occasional local thunder.
 The whole D.T. is now affected.

 but there is an awful lot
 of them. I have been to
