Therapia,
November 17th 1896.

My Lords,

In consequence of the representations of the local authorities and merchants of Hodeidah, the Turkish Government decided last year to build a solid pier at that port but stipulated that the dues levied on its use should be raised for a period of twenty years, as per accompanying "Engh" to meet the cost of construction.

I am informed by His Majesty's Vice Consul at Hodeidah that this Tariff has been accepted by the native and foreign merchants, and I therefore propose subject to Your Lordship's approval, to address a note verbal to the Sublime Porte, intimating to them officially the acquiescence of His Majesty's Embassy in the matter.

I am &c,
60/ Philip Currie.

The Marquess of Salisbury, R.G.
&c. &c.

Sir,

I am directed by the Marquess of Salisbury to transmit herewith for the information of the Secretary of State for India in Council copy of a despatch from Her Majesty's Ambassador at Constantinople, enclosing copy of the new tariff for pepper at Hoderah, which has, it appears, been already accepted by the Foreign and Native Merchants there.

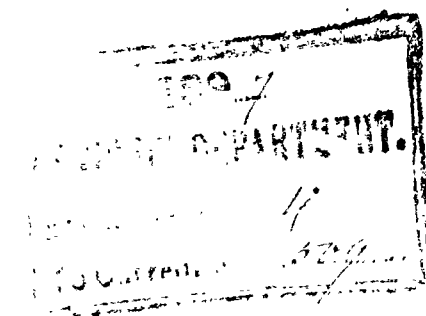

Sir P. Currie now proposes to address a note verbal to the Porte, intimating the acquiescence of Her Majesty's Government in this arrangement.

Lord Salisbury would be glad to be informed whether there is, in the opinion of Lord George Hamilton, any objection to this suggestion.

I am, Sir,

Very faithfully,
