Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 10th July 1897.

Mis. No. 2951

Read the following letter from the
Collector of Kistna, Ref. on G. No. $\frac{265}{abk}$ 197 Dated
5th July 1897:—

"In reply to Board's Proceedings
No. 1623 Mis. Dated 23rd April 1897, I have
the honor to state that I am very much in
favor of the introduction of the system of
separate sale of annack shops into the
Tinnur and Taggiapet Khandauns of
this District during the lease commencing
on 1st October 1897. It is very desirable to
prevent the possibility of the same annack
farm renters holding farms both in Hydera-
bad and British territory—a state of
things that is bound to encourage smuggling.
Independent shopkeepers will be interested
in

in preventing smuggling.

2. The Tahsildar Nandigama is opposed to the introduction of the system into Jaggiapet Khandaam, which forms part of his taluk, on the ground that there is not sufficient demand for liquor in the rural shops and that therefore such shops may not find bidders. The Head Assistant Collector attributes the alleged want of demand for liquor to the smuggling which is going on on the Hyderabad frontier. This is exactly what we want to put down by the proposed change and the Tahsildar's objection may be disregarded.

3. The only other difficulty is the following:—According to the present arrangement, the supply of liquor to these areas is from the warehouse at Bezvada which is several miles away, and in the event of the introduction of the system of separate sales, shopkeepers would find it difficult to get their supplies. To meet this difficulty, wholesale country liquor licenses may be issued

as

as in free supply tracts. Government has already said that the Collector may issue such licenses (vide para 2 of G. O. No. 342, Dated 21st July 1896 printed in Board's Proceedings No. 295 Dated 24th June 1896). I have no doubt that applicants will come forward for these licenses which may be freely granted.

4. Personally I am inclined to go a step further and while we are about it, to open independent shops throughout the Nandigama taluk, that is, to the Nandigama Khandaam as well as to the Jaggiapet Khandaam. In this view the Assistant Commissioner also concurs. The only reason, I believe, why independent shops are not to be tried throughout the District is the trouble that occurred over the toddy shops. But, if we are to introduce the system in half of Nandigama taluk where special circumstances exist, it will not give much

extra

extra trouble and will be useful as an experiment to introduce the system in the other half of the taluk also where ordinary circumstances exist.

5. To save delay I am, in conjunction with the Assistant Commissioner, preparing lists of independent shops for use (1) in case the Board sanctions the opening independent shops in Timnur and Jaggiapet Khandams; (2) in case the Board sanctions the opening of such shops in Timnur and the whole of Nandigama taluk. On the receipt of the Board's orders the lists, will, if necessary, be forwarded for sanction."

Resolution:

Submitted to Government with reference to para 2. of Government Order No. 510 Dated 29th June 1897. The small shops in the Nandigama taluk are within easy reach of the railway

railway, and in view of the fact that they can, without difficulty, procure their supplies from Bezawada, the Board begs to recommend that the Collector's proposal to sell them as independent shops during the next lease may be accepted. In the Timnur Khandam the same facilities for supply do not exist and the Board, therefore, considers that the existing arrangements may be continued there for another year.
