Camp Dahpala (near Indragiri)

With reference to
the Board's Proceedings above
quoted and its concluding
para I beg to state as follows:
I commenced the boundary
cutting one more on March 31
at the summit of the hill

Route

South of the Libandi track
near Retuli and the work
is proceeding. The boundary
has proceeded south along the
ridge of the ghats as far as
Godarekha (south of
Muhlingia village) and from
that place has gone Eastwards
for one mile 26 chains to the
summit of Lungeeri (a big
black rock) and has thence
descended into the valley
below Dapala.

2. This morning the boundary
has crossed the Dapala valley
and is across the Pibot kala
and on its way to the summit
of Rainghi hill.

The work was delayed early
in April for one or 2 days

as

as the coolies wanted larger
advances than I was inclined
to give and on 19th & 20th
by the absence of the head
coolies who went to give
evidence against the Muhlingia
Moliks for obstruction.

3. Considering the height of
the hills and the dense jungle
that clothes them I do not
expect to finish before the
end of this month and expect
to have completed the boundary
trace by June 10th. I may
mention here that the 1" map
of this portion of the Agency
is grossly and ludicrously
inaccurate as regards the
hills and streams in the valley
below Dapala. The main
ridge of the ghats seems to be
fairly accurately delineated.

2. Under the sanction accorded

H. O'Leary was employed on special
duty in demarcating the boundary

and the Agency tracts from
14th January 1896 to 29th June 1896,
when he was posted to act as
D. F. O., Gaujam during the absence
on leave of Mr. Mc'Donogh. On
the return of Mr. Mc'Donogh

letter read above, reports that

Mr. O'Leary and the D. F. O., Gaujam
that the boundary demarcation
has been virtually completed and
that Mr. O'Leary's services will be
available for other work about
the 15th instant.

The Secy to the Govt of India

In January 1896,
Mr. C. B. C., an a representative
 from made by the Conservator of
 Forests, Northern Circle, and the
 Board of Rev: that the services of
 a European Officer capable of
 dealing with the hill tribes so as
 not to rouse any hostility among
 them were required to assist the
 Special Assistant Agent, Ganyam,
 in demarcating the boundary
 between the Agency villages and
 the reserved forests ^{in Ganyam}.
 Sanctioned the
 employment of Mr MacArthur O'
 Leary, an ^{Asst Commr acting Dep.} ~~Asst~~ Conservator of Forests
 in this Dist. for the purpose. Mr
 O'Leary was so employed from

14. 4

14th January 1896 to 29th June 1896 when he had to be posted as the District Forest Officer of Ganjam during the absence on leave of the permanent incumbent. On the return of the latter Officer, however, Mr O'Leary was directed to resume his demarcation work which he did on the 31st March last and ^{or} is reported to have ^{it} completed by the 15th ultimo. The special work on which ~~Mr~~ O' he was employed has thus extended over a period of about eight months and the Asst General ^{now} points out that, during the above periods, Mr O'Leary should be considered to have been on special duty and that the sanction of the Govt of India ~~therefore~~ ^{is} wanted for his deputation has to be obtained under the provisions of Art 96 of the C.S.R. The Board of Rev. has expressed a doubt as to whether the Art in question can be held to apply to the present case as Mr O'Leary was only employed as an Asst Conservator on the work of demarcating the boundary

Mr. ~~the~~ in C. is, however, inclined to agree with the Asst General in his view and if ^{it} ~~this~~ ^{is} ~~is~~ ^{is} concurred in by the Govt of India, I am to request that its sanction may be accorded for Mr O'Leary's employment on the special work referred to during the periods already mentioned, viz from 14th Jan^y to 29th June 1896 and from 31st March to about 15th June 1897
