Transferred to the Revenue department with reference to the Chief Engineer's note dated 17th May 1897, on Revenue department C. No. 3705.

D. A. G. Cunliffe Col. R.E.,
Secretary to Government, C. P. W. D.

This is a very obscure letter & shows that the late P. W. D. were in fault in not having to first class works and only under their professional Supts. as the Rev. Dept. with their numerous duties to do is administering State forms of subsidy. No change in our system is called for at present.
