Proceedings of the Board of Revenue

(Separate Revenue),

Dated 19th December 1896.

His No. 5232

Read letter from the Commissioner of Excise, Mysore applying for the services of the two Sub Inspectors of the Salt, Akbari & Customs department, Ramaswami Arjengar & Chelva Arjengar to assist in framing a scheme for the introduction of the Tree-tax system into Mysore, dated 9th December 1896.

Resolution

The Board begs leave to report that the Commissioner of Excise, Mysore, has applied for the services of the two Sub Inspectors of this Department named in the margin for one year to assist in framing a scheme for the introduction of the Tree tax system into Mysore. It is almost unnecessary to point out that the introduction of such a system into the Mysore province would be of immense assistance to the administration of the abtari revenue of the Presidency by equalising the taxation of toddy in the two areas & thereby reducing or perhaps altogether doing

away with the temptation to smuggle it into the adjoining British territory. The Board, therefore, proposes to accede to the wish of the Mysore authorities by granting the Sub Inspector in question one year's leave without allowances with a lien on their permanent appointments in the Madras Salt, Akbari & Customs Department during that period & requests that the arrangement may be sanctioned by Government as, under para 2 of G.O. No. 382 Financial dated 18th June 1886 the grant of a lien for more than 3 months is prohibited in such cases. The Sub Inspector concerned not having completed 10 years qualifying service cannot be deputed for Foreign service under the rules of the Civil Service Regulations & the course above proposed appears, therefore, to be the only feasible one.
