CURRENT No. 5401

the Hon. Sec. Genl. &
the Hon. Governor

The D.P.W. Officer says the relief workers do nothing because they are not paid. Whose fault is this?
Fining is forbidden except in cases of maliciousness or intentional disobedience, - and they find
what these people in Ballinacorney justify on the ^{From} Re P.W. Department
D.P.W. Officer has not still said down nothing, though

the Order is to be made proper to find and should have used it. The fault lies with the P.W.D.
Department itself. 21st 8.7.97
this may be recorded with

It seems rather hard to
place all this on the
Rev. Dept. What these Officers
find fault with is the
order of Govt.

MEMORANDUM.

Endorsement

Dated Madras,

30 June 1897.

From the Superintending Engineer,
III Circle, No. 1693 W dated 18th June 1897.

Forwarded to the Revenue Department.

2 Letters to this effect are being received weekly or oftener; and it seems absolutely necessary to put a stop to the interference in the execution of relief works by officials outside the P.W.D., for at present all work is characterised by insubordination and absence of discipline on the part of the very people for whose benefit relief works are organised.
