GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 1640, dated 6th May 1897:—

Read—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, Madras, dated 6th November 1896, No. 4083-Ver.:—

I have the honour to request the sanction of the Board for the resumption of the charitable tope inam, Survey Nos. 249, $\frac{293}{8}$ and $\frac{293}{11}$ measuring 12-37 acres of Iskapollem Pallapolu, Nellore taluk, covered by T.D. No. 1997.

2. In the course of settling compensation for a portion of the inam land taken up for public purposes, the Head-Quarter Deputy Collector found that there had been no trees on the land during the last three years and that the inamdars were cultivating the land. He accordingly recommended the resumption of the inam in his letter, No. 113-II, dated 5th January 1896.

3. In this office Ref. No. 152-Ver., dated 23rd January 1896, the Deputy Collector was requested to serve a notice on the inamdars to replant the tope within a reasonable time. A notice was accordingly issued allowing the inamdars six months' time on pain of resumption of the inam in default. The inamdars, however, took no steps to comply with the notice and now apply for an extension of time. Considering that the land has been cultivated for the last three years, I do not think this is a case for lenient treatment and I therefore recommend the immediate resumption of the inam.

Reference on the above, dated 21st November 1896.

The Collector is requested to ascertain from the Taluk Board concerned whether it is willing to utilize the assessment on the tope inam proposed to be resumed for some charitable purpose to be specified in accordance with the Government Order communicated with Board's Proceedings, No. 2577, dated 15th September 1875, and, if so, to obtain and forward to this office a copy of the Taluk Board's resolution.

2. The assessment on the land should be reported.

Read—the following endorsement of the Collector of Nellore, No. 480-Ver., dated 15th February 1897, on letter from M.R.Ry. P. SITA RAU PANTULU Gann, Deputy Collector of Nellore, to the Collector of Nellore, dated 6th February 1897:—

With reference to your memorandum, Ref. No. 532-G.B.-Ver., dated 29th November 1896 I have the honour to enclose a copy of Nellore Taluk Board's Resolution, No. 142, dated 29th January 1897, from which it will be seen that that Board is willing to take up the management of the Tope Inam in question and to utilize the produce thereof in the maintenance of water pandals.

2. The taram assessment of the inam land is Rs. 7-6-0 dry.

Endorsement.

Submitted to the Board of Revenue (with copy of the enclosure) with reference to Board's Reference on G.L. No. 5997 of 1896, dated 21st November 1896.

Reference on the above, dated 23rd February 1897.

The Taluk Board has undertaken to take up the management of the Tope Inam under reference and to utilize the income thereof for the maintenance of water-pandals. But as the inam land is being cultivated by the inamdars, only the assessment on the land can be paid to the Taluk Board. The Collector is therefore requested to call upon the Taluk Board to pass a revised resolution expressing its willingness to accept the assessment of the land and utilize it for the purpose specified.

Read—also the following letter from V. VENUGOPAL CHETTY, Esq., Acting Head Assistant Collector of Nellore, in charge, to the Secretary to the Commissioners of Land Revenue, Madras, dated 24th April 1897, No. 1327-Ver.:—

With reference to Board's Reference on General Register Nos. 5997 of 1896 and 860 of 1897, dated 23rd February 1897, I have the honour to forward herewith a revised resolution of the Nellore Taluk Board expressing its willingness to accept the taram assessment of the inam land and to utilize it for the maintenance of water-pandals during hot weather.
