The Board requests that instructions may be issued to all Magistrates to personally fill in the particulars in search warrants in cases in which the fact of the issue being made public is likely to lead to all traces of offences having been committed being concealed. The object aimed at being to ensure secrecy, Magistrates may be instructed in the Judicial Dept to take effectual steps to prevent the fact of search warrants being issued becoming public and to enjoin their Clerks the strictest secrecy in the matter. A compliance with the Board's request would throw a lot of scriptory work on the Magistrates & on this ground the higher Magistracy would probably disfavour the issue of the order asked for by the Board.
