FOR ORDERS.

The Government of the Central Provinces requests that it may be supplied with 350 copies of the Telugu translation of Mr. Hankin's pamphlet on Cholera. In G.O. It appears that all the copies intended for distribution have been distributed, that 200 copies are available for sale & that the type has been broken. The price of each copy is two annas. Orders are solicited as to (1) whether the Deputy Jail Press should be directed to reprint the book and (2) what the Jail of the Central Provinces
