FOR ORDERS.

Please see note under G. O. No. 2751 dated 31st May 1897.

2. The Collector reports that the cost (Rs.420) of the continued employment during 1897-98 of the compensation establishment in the Godavari Sub-Division cannot be met from the District allotments. The Board accordingly proposes to meet it from the savings in the budget provision of Rs. 2,000 for the supply of Iron safes to the (Muzur) treasury, Vizagapatam (Vide para 1 in page 13 of G.O. No. 681 dated 1st December 1896 and G.O. No. 1986 dated 13th April 1897).

3. The entertainment of this temporary establishment was sanctioned for a year in G. O. No. 81 dated 9th Jan: 1896 and the Sub Collector and the Collector report that the retention of the establishment for another year is absolutely necessary (vide para 3 of the Sub Collector's letter flagged E in G. O. No. 2751 dated 31st May 1897). The Board supports the Collector's proposal. It is submitted that the retention asked for may be sanctioned, but with the intimation that no further extension will be allowed.

4. The following draft is submitted :-

G. O. (Mis) No.

G. O. (Mis.) No. 37400/21 dated 21 July 97

The Government sees no reason to sanction the retention for another year of the temporary establishment employed on compensation work in the Godavari Sub-Division. From the statement referred to in para 4 of the Sub-Collector's letter No. 1130, d/12th April 1897, it appears that 177 cases were disposed of in 1896 when the special establishment was at work for about 7½ months only and that at the beginning of this year, there were only 58 old cases to be disposed of. These and the new cases which seem to come in at the rate of 11 a month, ought to have been disposed of by this time or if there ~~any~~ ^{any} are still pending, they should be attended to by the regular establishment. ~~The Board will now instruct the~~

~~the collector to dispense with the~~

the
services of the special establishment
should be dispensed with
at once.

Note

As the sanctioned period
of one year has already
expired, it will be necessary
for Govt. to sanction the re-
tention of the establishment
beyond that period up to
the date on which its
services may be dispensed
with by the collector under
the orders now issuing.
^{Nothing need be said at present}
But the collector will, on
receipt of the orders, dis-

pense with the establish-
ment and make the
necessary app^{rs} for sanction,
intimating the exact date
on which the establishment is
dispensed with.
