Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 8th July 1897.

Min No. 2968

Read Government Order No 336 Revenue dated 15th

May 1897

Resolution

With reference to the Government Order read above the Board requests permission to commence getting together the Establishment required in the Bellary and Anantapur Districts in connection with the introduction of the New Tax System there, at once. Owing to the high prices which now prevail there and to the fear of this becoming worse, it will not be easy to recruit good men for the new appointments in a hurry. The large number of officers already deputed on famine duty will make it difficult to supply vacancies from other circles as it has done on similar occasion.
