SIR,

In the beginning of 1896, as I was unwell, I applied for furlough for 3 months with the object of extending it, if necessary. The leave was granted in Government Order No. 1648 Mis., Revenue, dated 30th April 96, and I availed myself of the same from the afternoon of the 4th May 1896.

2. Before the expiry of the leave a telegram dated 1st July 96 was received by me at Tinnevely from the collector (The Honourable Mr. Stokes) enquiring if I could return to duty within one week. I replied to it that I would go to Vallam on the 13th Idem and act up to his orders.

3. While I was preparing to start I received another telegram dated 9 July 97 wherein I was informed that I might join at the end of my leave. I started for Tanjore and arrived there on the 1st August 1896 in view to consult the collector as to whether I should return to duty.

4. In the meantime my locum tenens was gazetted to act as Head Quarter Deputy collector Chittoor, North Arcot, and got a letter to join urgently.

5. It will thus be seen, that I had no option but to return to duty, as directed by the collector.

6. As my resumption of work was caused in the interests of public service, I presume Article 371 (b) G. S. Regulations will not be a bar to my taking the remaining portion of the 2 years' furlough to which I am entitled, on the ground that I have not put in 8 years' continuous service since my return from furlough.

7. I solicit the favor of your instructions as to whether my presumption is correct.

SIR,

In enclosing Copies of my letter to the Accountant General No. 1295 dated 29th March 1897 and of his reply thereto No. 1295 dated 26th April 1897, I have the honour to state that I availed myself of the three months furlough sanctioned to me in Government Order No. 1648 Mis. dated 30th April 1896 from the Afternoon of the 4th May 1896.

2. I was entitled to two years furlough of which I have availed myself of

only

only three months.

3. On my reference to the Accountant General as to whether there is any objection to my applying for the remaining portion of the leave before the expiry of 8 years vide Article

371 (6) Civil Service Regulations on the score that I rejoined my duty in the interests of Government Service, he has replied that my case does not fall under Article 223 of the Civil Service Regulations as I was not required by Government to return to duty.

4. The circumstances under which I was necessitated to return to duty are fully described in my letter to the Accountant General.

5. I beg that you will be pleased to move Government to declare that in the circumstances I was recalled
to

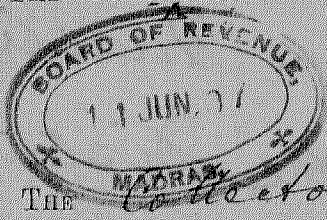

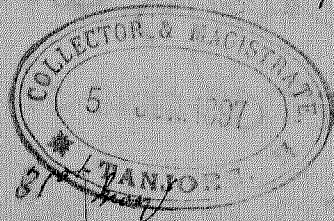

to duty by Government or to convert my three months furlough into leave on medical Certificate. The Assistant Surgeon Mr. Inanam Pillai who was then in charge of the District — wrote to the then acting Collector Mr. Proberly that I was in a bad state of health and the latter Officer sent a telegram to Government that I should be relieved soon. vide Copy of telegram enclosed.
