Sir, The opening of the ferry on the Upputuru at Kalidiudi, Godavada Taluq, was published. Vide page 14 of Fort Saint George Gazette dated 9th January 1883, Vol. 1.

2. The ferry was not sold for want of bidders for the years 1894-95 and 1895-96, but it was rented out for Rs 17 for 1896-97. The contractor complains that the landing place is very inconvenient on account of mire.

3. There is a private samgadi plying on the Upputuru by the residents of Maddavani Guduru, hamlet of Kalidiudi, about half a mile from the public ferry landing place.

The route between Kalidiudi and Akidu, Godavery District, via Maddavani Guduru, is better walking and the present public ferry place is not used freely. There is no necessity for maintaining a public ferry so long as private persons make adequate arrangement for public convenience. During the years 1894-95 and 1895-96, there was no complaint from the public for the non existence of the public ferry as they felt no inconvenience.

4. I have therefore the honor to request you to ask Government to sanction the abolition of the ferry at Kalidiudi from 1897-98.
