READ the following letter from the
Collector of Vizagapatam, dated
3rd July 1897 B.G. No. 292:-

I have the honor to
request that the Board will
obtain for me the deputation
of some suitable officers
from other departments or
districts to serve as Circle
Inspectors in this district.

I have already received from
the Deputy Commissioner, Salt,
and Ahkari Revenue, the
names

names of 17 Sub-Inspectors,
who are available and I have
already taken 10 of these and
shall utilize the other 7 very
shortly. I shall require not
less than 20 men from outside,
as I am rapidly using up
my Revenue Inspectors and
available Clerks and Gamastahs,
while Taluk Offices can
ill afford to ~~be depleted~~^{be depleted}
when revenue and account work
is becoming heavy. At present
the Public Works Department
cannot open more works, but
when it is able to do so,
I shall also require some
Paymasters, if any can be
drafted from elsewhere. Most
works require two of these, so
that I am well within the
mark

mark when I ask for 10 men
of this class.

Resolution

Recorded.

2. The Commissioner of
Separate Revenue, who is
proceeding to the District,
has promised to supply
all the hands he can, for
Service as Taluk Relief
Officers.

3. Steps will be taken
to supply officers of the
other classes.
