PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

RESOLUTION—No. 217, dated 28th June 1897.

In 1893 Government sanctioned the entertainment of a paid copyist for the Sub-Collector's office, South Arcot, on a salary of Rs. 10 per mensem. The services of the copyist have been allowed to be retained for the last three years on the understanding that the copying fees received are generally sufficient to cover the copyist's pay: and when the fees exceed Rs. 13 in any month, the excess is also disbursed to the copyist as an incentive to good work. The minimum to be credited to Government has lately been raised from Rs. 13 to Rs. 14, and the system is reported to work well.

2. The Board considers that it may be of advantage to make the system known in other districts, and accordingly resolves to circulate these Proceedings to all Collectors with the request that they will report to the Board, at an early date, whether the average amount of copying fees received in their districts would permit of the arrangement described above being made for the entertainment of regular copyists in any of their divisions or taluks.
