No. 1866/26

From F. C. Harrison Esqre,

Actg. Accountant-General to the

Government of Madras,

To The Secretary to Government

Revenue Department.

Sir,

With reference to Government Order No. 291 Revenue dated the 3rd of May 1897 sanctioning a deputation allowance of one fifth of salary to the Salt Officers sent to the distillery School, Waltair, for training under Article 98 of the Civil Service Regulations, I would respectfully point out that in the cases of Revenue Officials undergoing Survey training, Police Officials attending the Police School, Vellore for training and Medical Officers deputed to Central Jails to learn details of management for a period of 3 months no deputation allowance is granted. In fact in the case of the Medical officers it was decided by the Government of India

India (Home Department) in their order
No. 8 Jails 343-51 dated 22nd June 1896 that they should
draw their grade pay only under Article 306
of the Army Regulations, India, Volume I Part I
The case of these Salt Officers is much the same
and I am doubtful whether deputation allow-
ance can be granted in such cases. Apparently
their case is better met by the grant of con-
veyance allowance as recommended by the
Board in consideration of the additional ex-
penses the officers will have to incur in at-
tending the school.

In these circumstances and in order to
secure uniformity in the treatment of Officers of
other departments similarly deputed, I would
respectfully request that Government will be
pleased to reconsider its order above referred to
so far as it relates to the grant of a —
deputation allowance.

I have the honour to be,
Sir,
Your most Obed.t Servant,
[illegible]
Offg Accountant General

For orders:-

1. In para 5 of its Proc.s in G.O. no 291 of 3.5.97 the Board of Rev.e proposed that all officers of the grade of Inspectors and Ass.t Inspectors detailed to the Waltair school should draw a conveyance allowance of Rs 25 and that Sub Inspectors should similarly receive Rs 15 per mensem

2. As however under Art: 1181 of the C.S.R the sanction of the Govt of India should be obtained for the grant of a conveyance allowance the Govt decided that the Officers sent to the school should be considered to be on deputation under Art: 95 and 98 of the C.S.R and draw an allowance of one fifth of their Salary.

3. The Accountant General now points out that Revenue officers sent for survey training, Police Officers attending the Vellore School and Medical officers deputed to Central Jails draw only their grade pay and do not draw any allowance in addition. He also points out that in the case of Medical officers the Govt of

that deputation allowance should
not be granted in such cases and
that the case of these officers can
be better met by the grant of conveyance
allowance in consideration of the
additional expense the officers will
have to incur in attending the school.
4. For orders as to whether the Govt
of India should be addressed
for the grant of the conveyance
allowance.

11/7/97.

I don't think a conveyance allowance is a good way of meeting the case for an officer deputed to the school may/we dispatch & the school may/we dispatch & the school may/we dispatch &

General now points out that Revenue officers sent for survey training, Police officials attending the Vellore School and Medical officers deputed to Central Jails do not draw any allowance in addition to their pay, that deputation allowance should not be granted in such cases and that the case of the officers of the Salt, Abkari and Customs Dept. can be better met by the grant of conveyance allowance as originally recommended by the Board of Revenue.

3. The Govrnment considers that the officers of the departments named by the Accountant-General do not stand on the same footing as the officers of the Salt, Abkari and Customs dept. who are required to attend the distillery school. In the former case, the officers are sent for training to qualify themselves for promotion and they thus get repaid for the extra expense they incur, while in the latter, the men are required to attend the school to secure greater efficiency in the management of distilleries and they do not earn any promotion by the mere fact of having undergone the training. H.E. the Govrnor in Concil is of opinion that the officers in question should be recouped the additional expenses they will be put to and that the best form in which they can be remunrrated is by the grant of a deputation allowance. I am accordingly to request the sanction of the Government of India to the grant of such allowance.

Note

No reference has been made in the draft to H. M's remark that Revenue officers sent for survey training must have some salaries and are without families as Revenue Inspectors are also included in that category.
