Resolution

The Famine Commissioners beg to lay the following facts before Government.

2. In Board's Proceedings 309 of 1897, in submitting the fortnightly narrative of the Cuddapah District for the period ending 30th March 1897, it was pointed out that the collector had submitted two narratives together, and the explanation furnished by him for the delay was said to be unsatisfactory.

Mr Tate submitted narratives in due course for the 3 fortnights up to that ending 15th May, but no narrative was received from him for the 2nd half of the month. On June 14th the following telegram was despatched to him.

"your narrative 2nd fortnight May not yet received."

To this no reply was received, nor was any narrative sent.

Again no narrative was submitted for the first fortnight in June. The following telegram was therefore despatched on June 28th:-

"Your fortnightly narratives for two fortnights are now overdue. - Please expedite submission and explain delay". To this no reply has been received.

Again on 8th July a telegram was sent to him as follows:-

"Reply immediately telegram dated June 28th regarding delay in fortnightly narratives."

To

To this 3rd reminder no reply has been received.

4. No fortnightly narrative was submitted till July 8th, when one was submitted for the fortnight ending June 30th with no remarks or explanation of any kind. The Famine Commissioner was therefore without information as to the progress of famine relief in Cuddapah for six weeks. This did not so much matter as it happened that the Famine Commissioner was touring in Cuddapah during a great part of the time concerned, and knew what was going on from his own observations.

5. Government is being separately addressed regarding Famine

same administration in the
Cuddapah District.
