Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 18th January 1897.

No. 359 mis.

Read following letter from the Collector of Cuddapah, dated 1st January 1897 Reference on current No 6967 / Rev. of 96. :-

With reference to Board Proceedings No 5174 Misc. dated 23rd October 1896 and memorandum No 5499 mis dated 15th November 1896, I have the honor to forward herewith two maps drawn on a scale of 8 inches to the inch, showing the position of all the works available for famine relief in the several Taluhs of the District.

2. The size of the map does not admit of

123/97

omit of the names of works being entered on it. The position of the works has therefore been indicated by numerical figures. A different series of numbers has been given for each kind of works, which are distinguished on the map by means of different colours. Lists giving full description of each work in the serial order of the map numbers are attached to the maps.

3. As directed by the Board, only those works that will provide employment for more than 100 people for 3 months have been included in the lists and denoted on the maps. Information regarding estimates sanctioned is given in the list.

Resolution.

Recorded.

A copy of the map with the accompanying lists will be submitted

then given for copying

reference

4335 mis. dated 3rd November

3. It is observed that the of persons that can be employed on works for which estimates are ready, is very small in whilst ^{no} the estimates which appear to be ready in Khadr Royachoti. This must receive immediate attention.
