Resolution. The foregoing papers relate to the appeal of Muctoom Sahib, sub.jail warder, Srivilliputtur Taluk, Tinnevelly District, --- against his ~~suspension~~ suspension for one month for his alleged failure to give timely intimation to the local apothecary of the critical state of a prisoner who was brought to the sub.jail on the --- evening of the 25th August last and died a few days afterwards. As the Board was not satisfied that the punishment awarded was justifiable, it called upon the Collector to make a further enquiry into the matter and to report the result for its orders. -Board's Progs. No.201 ^{wt} Mis.dated 18th January 1897.

2. The records of the enquiry made in pursuance of --- this order show that the petitioner is innocent of the serious --- charge brought against him and that his conduct in regard to truthfulness contrasts very favourably with that of the Sub.Magistrate & the apothecary. The only fault now brought home to the petr. is that he took no effective steps to rouse the apothecary on the evening of the 25th August. The Board considers that in the circumstances - it will not be proper to punish the petr. for this minor fault and accordingly cancels the order of suspension appealed against.

3. The Board notes that the Collector promises to re--fer the case of the apothecary for the orders of the District Surgeon.

4. The petitioner is referred to the Collector for --- orders
