ner of s no 197, thence on to that corner,
thence its south side to a point about
9 yards ^{east} west of its south east corner,
thence north to a point about ¼ chain
east of where its east side turns north
west, thence west north west to where
the same side turns north for the 2nd time
from the south, thence to the 1st offset
stone on the east side of survey no 153,
counted from its south east corner, &
thence to the next offset stone, thence
to the southwest corner of s no 189,
thence its south side to where it turns
north, thence the west and south
sides of s no 190 to its south east

29
corner, thence to a point about 60 links
south by the south west of the 3rd field
stone on the west side of survey no 191,
counted from the south east corner of
s no 190, thence to the westernmost cor-
ner of s no 192 and thence to the milky
boundary stone near the south west
corner of s no 192 all of which villages
East. Thence the village boundary be-
tween Melcheri and Singanaram shivtri-
am to the junction of Melcheri, &
Singanaram and Krishnapuram
villages, thence the village boundary
between the latter two villages to the
village boundary stone about 5
chains south west of the north west
corner of survey no 222 of Krishnapu-
ram, thence to a point on its west
side about 60 links south of the field
stone, where that side turns north
east to meet the village boundary,
thence the west side of that field to
the north east corner of s no 220, thence
its north and west sides to the 2nd
Khandam stone on the latter side
counted from the north, thence the
north side of s no 213, and the east
side of s no 212 to its north east cor-
ner, thence the north sides of survey
nos 212 & 200 to the north west corner
of the latter, thence the east side of

s no 190 to its north east corner, thence
the north sides of survey nos 190 & 191/9/198
to the north west corner of the last field,
thence to the offset stone immediately
east of the north east corner of s no 194,
thence to its north and west sides to its
north west corner, thence the north and
west sides of s no 193 to its south west
corner, thence the north, west and south
sides of s no 192 to its south east corner,
thence the west and south sides of s no
196 to its south east corner, thence to
the Khandam stone on the south side
of s no 197, thence the west sides of s
nos 198, 202, & 203 to the south west
corner of the last field, thence its
south side to that Khandam
stone immediately west of its south
east corner, thence along the Khandam
line to the south west corner of survey
no 215, thence to the north west corner
of survey no 61, thence to its south
west corner, thence to a point about
 $1\frac{1}{2}$ chains northwest of the north west
corner of s no 100 all of Krishna puram.
South - thence to the north west corner
of s no 101 of Krishna puram, thence to
the south east corner of s no 107, thence
its east, north and west sides to its
south west corner, thence the north
sides of s no 108 to its north west
corner, thence to the north east

corner of s no 140, thence to the south
west corner of s no 185, thence its west
side and that of s no 186 and 183 to
its north west corner, thence south east
corner of s no 182, thence its east side
to its north east corner, thence to the
north east corner of s no 181, thence its
north side to its north west corner,
thence its west side where it turns
south east, thence to north west
corner of survey no 180, thence its
west side to its south west corner,
thence to the Tadiyannam - Tennam
-ai public Road at the south west
corner of survey no 139 all of Krishna
puram village, thence that public
Road to the south east corner of s no
222 of Perumkapur village, thence
to a point about $1\frac{1}{2}$ chains west
of its north east corner, thence to the
village boundary stone at the
eastern most corner of s no 86, of
Thampundi, thence to the next offset
stone on the north east side of that
field, thence to a point about $1\frac{1}{2}$
chains east of the 2nd offset stone
on the east side of survey no 85,
counted from its north east corner,
thence to a point on the east side
of s no 86 about $1\frac{1}{2}$ chains north
of its south east corner, thence to

a point about $\frac{1}{2}$ chain north of the 3rd offset stone on the same side counted from the same corner, thence to the 1st Ikhandam stone on the same side south of its north east corner, thence to its north east corner, thence to the next Ikhandam stone on its north side thence to the north east corner of s no 93, thence to the north west corner of s no 95, thence to the north east corner of s no 98, thence the north sides of s nos 98 & 99 to the north west corner of the latter, thence to a point about $\frac{1}{4}$ chain north of the field stone immediately west of the north east corner of s no 105, thence to its north west corner, thence to the northernmost point of s no 115, thence the ~~west~~ ^{the} west side of s no 115 ^{to which it is south-west} to the first field stone on that side, thence to a point on the ~~west~~ west side of s no 113 about 2 chains south west of its north west corner, thence to the north west corner of s no 112, thence to its south west corner, thence the north sides of s nos 117 & 141 to the Ikhandam stone on the north side of the latter, thence to a point about 2 chains east of the south east corner of s no 149, thence to a point about 1 chain north north east of the 3rd field stone on its east

31
side counted from the south, thence to its north east corner, thence the north sides of s nos 144 & 145 to the Ikhandam stone on the north side of the latter, all of Hainpundi village.

West - Thence to a point about 7 chains north, thence to a point about 6 chains north by north west, thence to the south east corner of s no 180 of Hainpundi, thence to its north east corner, thence the east side of s nos 181 & 197 to the 3rd Ikhandam stone on the east side of the latter counted from its south east corner, thence 60 links north, thence to the south east corner of s no 198, thence its east and north sides to the south east corner of s no 199, thence to the Ikhandam stone on the east side of s no 207 immediately north of its south east corner, thence to the next Ikhandam stone, thence to the first offset stone on the east side of s no 208 south of its north east corner, thence to that north east corner, thence to the next offset stone on its north side thence to a point about 1 chain east of the Ikhandam stone on the east side of s no 210 south of its north east corner

thence to the south west corner of s. no. 76, then
thence the south sides of survey nos 76 & 75
to the south east corner of the latter, thence
to the north east corner of s. no. 73, thence
to a point about $1\frac{1}{2}$ chains east of the
north east corner of s. no. 72, thence to a
point about $2\frac{1}{2}$ chains south by south
east of the north east corner of s. no. 28,
thence to a point about $\frac{1}{3}$ chain east
of the south east corner of s. no. 23, thence
to a point about $\frac{1}{2}$ chain south by south
west of the south east corner of s. no. 22
all of Alampundi and thence to the
starting point of the north boundary.

South Arcot	Sundaravaram	(1) (Elil) Seem (2) (Vada) Holapakkam (3) (Elil) Arunjanam (4) Kattalai (5) Holampur	22	Seem	North - Starting from the ^{western} most point of S. No 278 of Holampur, the line runs East to the South west corner of Survey No. 282. Thence the South sides of Survey Nos 282 & 281 to the North west corner of Survey Number 285, thence its west and South sides to its Southeast corner, thence the west, South, and east sides of Survey Number 286 to its North east corner, thence the South, and east sides of Survey Number 280 to the South west corner of Survey Number 294, thence to the North west corner of Survey Number 295, thence its west side to its South west corner, thence east to a point about 18 yards South west of the North west corner of Survey Number 294, thence to its South west corner, thence west to a point about 1 1/2 chains Northeast of the North west corner of Survey Number 290, thence to its western most point, thence to its South west corner, thence to the 5 th Offset Stone on its South side counted from its South west corner, thence to its South east corner, and thence to the offset Stone about 37 links South east of the South east corner of Survey Number 299 all of (Elil) Seem Village - East - thence to the South west corner of Survey Number 302,

thence to its South east corner,
thence to a point 5 chains 60 links
due east of its South east corner,
thence 17 $\frac{1}{2}$ ^{chains} South east to a point
about 5 chains North west of the
North west corner of Survey No. 226,
thence to the Village boundary
stone at the South west corner
of Survey No. 226, thence to a
point on the Village boundary
between (Kil) Seer and Vadakala
pakkam about 11 chains 4 links
west of the last named point
all of (Kil) Seer, thence South
South west to a point about 3
chains 35 links east of the South
east corner of Survey No. 59 of Vadakala
pakkam, thence South west
to a point about 6 chains 4 links
east of the North east corner of
Survey No. 67, thence to a point
about 18 chains 40 links South
East of the last named point,
thence to the Khandam Stone
on the west side of Survey No. 56
and thence to the Village boundary
offset Stone about 1 chain North
west of the South west corner of
Survey No. 56. all of Vadakalapakkam
South. Thence to the 3rd field
Stone on the North side of No. 59
of (Kil) Aringuram Coumbar
from its North west corner,
thence North to the next field
Stone, thence to the South east
corner of Survey No. 68 of Vadakala
pakkam, thence its east and
North sides to the South east
corner of Survey No. 67 thence the
East sides of Survey Nos. 67 & 68,

38
to the North east corner of the
latter, thence along its North side
to the Village boundary Stone on that
side, thence to a point 1 chain 70
links South, thence to a point 3
chains, 23 links west, thence
to a point 7 chains 80 links South,
thence to a point on the west
side of Survey No. 67 about 2 chains
60 links west of the last point,
thence to the North west corner of
Survey No. 64, thence to a point
2 chains 30 links west, thence
South to a point on the North side
of Survey No. 73, about 1 chain 22
links east of its North west corner,
thence to its North west corner,
thence to its South west corner
all of Vadakalapakkam, thence
the North west sides of Survey
Numbers 70 of (Kil) Aringuram
to its South west corner, thence
to a point about 4 chains 60 links
west, thence to a point 14 chains
South, thence 9 chains 22 links
west North west to a point
about 4 chains 40 links North
of the North west corner of Survey
No. 73, thence to the South west
corner of Survey No. 73 thence
to the Village boundary Stone
at the South west corner of Survey
No. 77 all of (Kil) Aringuram
and thence west to the next Village
boundary Stone.
West. Thence North west to the
trijunction between (Vadu) Shale
pakkam, Perumikkal and
Kattalai Villages, thence west
North west to a point on the

North side of Survey No. 27 of
 Kottalai about $1\frac{1}{2}$ chains east
 of the Eastermost point of
 Survey No 5 thence to a point
 $4\frac{1}{2}$ chains North thence 1 chain
 west to a point about $1\frac{3}{4}$ chains
 North ^{east} of the 2^d field stone
 on the east side of Survey No 2
 Counted from its Southeast
 corner, thence to a point $8\frac{1}{4}$
 chains North, thence 6 chains
 70 links west to a point about
 2 chains 15 links east of the
 Northeast corner of Survey No 2
 all of Kottalai; thence to the village
 boundary offal stone at the South
 east corner of Survey No 291 of Kolan-
 tur, thence straight to the South
 east corner of Survey No 289, thence
 to a point on the North side of
 Survey No. 282 about 4 chains
 North Northeast of the Northeast
 corner of Survey No 283, thence to
 the Southeast corner of Survey
 No 276, thence its South side
 to the Southernmost corner
 of Survey number 275, thence
 its east side to its North
 east corner, thence to the
 field stone on the east
 side of Survey number
 278 immediately North

35

North of its ^{South} North east corner,
 all of Kolanur Village;
 and thence to the starting
 point of the North boundary
 of the District Forest
 for SOUTH ARCOT.

notification

With reference to notification No 198 dated 6th July '88
 published under Section 16 of the Madras Forest Act (V
 of 1882) at page 493⁴⁹⁴ of the North St George Gazette of the
