Proceedings of the Board of Revenue

(Land Revenue),

Dated 3rd June 1897.
 Forest No. 530 Miscellaneous

READ Letter from the Forest Settlement Officer, Ganjam
 to Districts, dated 16th May 1897, No. 414.

Resolution

Submitted for the orders of
 Government through the Accountant General.
 2. In para 18 of B.P. No. 649 dated 23.7.88,
 the Board recommended a daily rate of travelling
 allowance of Rs 4 to Deputy Collectors employed
 on Forest Settlement duty. The recommendation
 was accepted by Government in para 4 of
 its order No. 584 Rev. dated 18.8.88 and was
 sanctioned by the Government of India
 in its letter communicated in G.O. No. 887
 dated 11-2-89.

3. At the time the above rate was fixed, the Forest Settlement Officers were recruited from the class of Deputy Collectors. The officers of this class being mostly natives of India, the allowance sanctioned was deemed sufficient to ~~cover~~ cover their travelling expenses. It has, however, now been decided to replace the Deputy Collectors employed on Forest Settlement work by the European officers of the Revenue Survey department and Mr. Dushington rightly complains that the rate of Rs 4/- per diem sanctioned for Deputy Collectors is insufficient for officers of his class.

4. As Assistant and Deputy Superintendents of Revenue Survey, the Survey officers are entitled to a daily batta of Rs 4 (vide entries Nos 12 & 16 in part I of App. 25 of the C.S.R.). In the above capacities, however, their work is ordinarily confined to a single district and they have not as much travelling to do as Forest Settlement Officers who have to travel over several districts and in remote and inaccessible localities. It was this argument which induced Government to fix the rate of daily allowance of

and settlement

of Deputy Collectors employed as Special Forest Settlement Officers at one rupee more than the rate allowed to ordinary Deputy Collectors and it holds equally good in the case of Survey officers deputed to Forest Settlement work. It may also be observed that entry No 28 in Appendix 26 of the Civil Service Regulations refers only to Deputy Collectors employed on Forest Settlement work; it is possible, therefore, that the case of Survey officers appointed as Forest Settlement Officers may be taken to come under clause (i) of Art. 1167 of the C.S.R. with reference to which they can already draw Rs 5/- per diem.

5. In these circumstances, the Board supports Mr. Dushington's request that the daily rate of travelling allowance admissible to the European officers of the Survey department employed as Forest Settlement Officers may be fixed at Rs 5/- the rate admissible to Deputy Conservators of Forests.

No 1823

Fort St George
Accountant General's Office
17th June 197

Forwarded to Government with the remark that the grant of daily allowance of Rs 5/- to the European Officers of the Survey Department employed as Forest Settlement Officers requires the sanction of the Government of India.

With reference to the contention of the Board in the last sentence of paragraph 4 it is pointed out that in the case of Survey Officers employed as Forest Settlement Officers is considered independently without reference to either the appointments of Assistant Superintendents, Madras Survey or Forest Settlement Officers as per entry 28 appendix 25 - Civil Service Regulations they will be classed as 2nd Class Officers as their pay does not exceed Rs 500 and as such a daily allowance of Rs 3 will only be admissible under Article 1167 (ii) Civil Service Regulations.

From Board of Revenue (L.R.)

With the paper read above the Board of Revenue permits an application from Mr. R. H. Lushington Forest Settlement Officer, Ganjam & districts in which he requests that the rate of daily allowance now paid to him may be raised from Rs 4 to Rs 5. Mr. Lushington represents that owing to the large extent of country over which he has to travel he has to give extra pay to his servants, that as his work lies in places out of the way and difficult of access where covered carts are frequently unobtainable & where there are no roads, his camp furniture & tents have suffered considerable damage and that owing to the long distances travelled from headquarters he has to take with him a large amount of luggage & stores but that the expense of carrying

such luggage & stores is not covered by the mileage rate allowed. He also refers to the fact that District Forest officers who travel over only one district draw a daily allowance of Rs 5 as Conservators.

2. General Inty Dy Collectors of all grades are paid a daily allowance of Rs 3 and Dy Collectors employed in Forest Settlement work are allowed Rs 4 as they have to perform more rapid travelling than ordinary

General Inty Dy Collectors. Vide para 18 of G.O. of 23 July 1888 No 649 printed only & of 18th August 1888 No 584 Rev.

The Board observes that when the rate of Rs 4 was fixed for Forest Settlement officers, the officers of this class were recruited from the class of Dy Collectors & that as these were mostly natives of India the allowance sanctioned was deemed sufficient to cover their travelling expenses.

Now that the Dy Collectors employed in Forest Settlement work are to be replaced by the European officers of the Revenue Survey Department the rate fixed for the former is in the opinion of the Board insufficient for the latter. The Board

points out that Assistant and Deputy Superintendents of Revenue Survey are entitled to a daily allowance of Rs 4 though their work is ordinarily confined to a single district and though they have not as much travelling to do as Forest Settlement officers who have to travel over several districts & in remote & inaccessible localities and recommends accordingly that the daily allowance admissible to the European officers of the Survey Dept employed in Forest Settlement work may be fixed at Rs 5.

3. The Accts General considers that the sanction of the Govt of India is necessary for the grant of the increased daily allowance of Rs 5. Orders are solicited.

I am directed to request that

to fix the daily allowance admissible to the European officers of the Revenue Survey Dept. employed in Forest Settlement work at Rs 5.

2. On the recommendation of the Govt. the daily allowance admissible to the Dy Collectors of all grades employed in Forest Settlement work was fixed by the Govt of India at Rs 4. Vide letter from the Govt of India Dept of Finance & Commerce of 21st January 1889 No 393. When this rate was recommended, the Forest Settlement officers were recruited from the class of Dy Collectors & as these were mostly natives of India the allowance was deemed sufficient to cover their travelling expenses. It has recently been decided ^{on 22/1/97} that the Dy Collectors employed in Forest Settlement work should be replaced by the European officers of the Survey Dept. who would otherwise be without employment. The rate of daily allowance fixed for the former is reported to be insufficient for the latter who, owing to the large extent of the country ~~the remote & inaccessible~~ ^{the remote & inaccessible} localities over which they have to travel & the remote & inaccessible

The Board of Revenue points out that Assistant & Deputy Supts of Revenue Survey are entitled to a daily allowance of Rs 4 though their work is ordinarily confined to a single district & though they have not as much travelling to do as Forest Settlement officers who have to travel over several districts and in remote & inaccessible localities and recommends that the daily allowances of the European officers of the Rev. Survey Dept. employed in Forest Settlement work may be raised to Rs 5; the rate admissible to Dy Conservators of Forests in charge of districts. His Excellency the Governor in Council agrees with the Board in considering that the daily allowance of these officers should be raised to Rs 5.
