Resolution.

With reference to the concluding portion of para 1 of the G.O. read above, the Board submits that the inam villages in South Arcot referred to therein not having been grouped with Government villages like those now being settled in the Tanjore district, the Ryotwari village service fund will not benefit by the proposed survey and settlement. The Proprietary Estates Village Service Fund might benefit thereby but until the village service cess is actually levied on the extension of Chapters III and IV of Act II of 1894 to whole inam villages, the question of levying a contribution from that fund can stand over.
