Dated 13th May 1897.

No. 3545 Miscellaneous

READ

the following letter from the Collector of Cuddapah, dated 13th May 1897, Reference on Current No. 216^F of 1897.

- 1 Aliseddipalli
- 2 Idupalapaya
- 3 Addehamarri
- 4 Gandikoor
- 5 Yerrabom-manapalle.

The marginally noted villages are situated in the Papaghni valley of the Palimudla taluk and are irrigated by channels from that river. The crops reaped good crops - two in many cases - and I cannot consider the villages as affected at all. I have the honour to request the Board to inform me whether destitute persons in such villages should be relieved gratuitously

gratuitously by grain dols or in
kitchens. It is reported that there are
a few destitute people in the above
named villages but I do not think
they can be relieved by Government
at present. In G.O. No. 246 dated
30-3-97 Government has ordered
that gratuitous relief may be ad-
ministered in all affected districts
which I take to mean only the portions
i.e. the villages affected by extensive
failure of crops. I request that the
Board will inform me whether my
view is correct.

Resolution

Gratuitous relief should be made
available, as soon as it is required,
to all who are qualified to be given
it under section 82 of the Famine
Code. It is for the Collector to decide
if such relief is required. If the
number of persons to be relieved is
small

small, grain dols may be given,
as it will not be worth while incurring
the expenses of a kitchen; but if the
number is considerable, and the areas
over which they are spread is not
large, it will probably be advisable
to open a kitchen in a central spot,
as this form of gratuitous relief is more
easily supervised and is generally
unattractive except to those who are
really in want. The timely grant
of a little gratuitous relief may obviate
the necessity for more expensive
relief later on.
