Additional Taliari.

Approving and sanctioning the proposal of the Collector of South Arcot to transfer Vada Agaram village in the Tindivanam taluk from the Tirukkavur to the Urani group, and to enter-
tain an — for the latter group.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 1752, dated 13th May 1897:—

Read—the following letter from A. E. CASTLESTUART STUART, Esq., I.C.S., Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue, dated 4th May 1897, Ref. on Register No. 575-Ver.:—

I have the honour to request the sanction of the Board for the transfer of the village of Vada Agaram in the Tindivanam taluk from Tirukkavur to Uranivattam. These vattams now comprise the six villages named below, the area, beriz and population of which as well as the present establishment of the two vattams are shown below:—

Name of Vattam.	Name of village.	Area.	Population.	Beriz.	Present establishment.
Tirukkavur ..	1. Tirukkavur	536	383	Rs. 945	1 karnam
	2. Pudupakkam	734	806	814	1 monigar
	3. Kesavanaikampalam	630	419	829	2 toties
	4. Vada Agaram	552	314	633	2 taliars
	Total	2,452	1,922	3,221	
Uran	1. Urani	1,439	392	806	1 karnam
	2. Alupakka	670	972	1,806	1 monigar
	Total	2,009	1,364	2,612	2 toties 1 taliari

2. From the enclosed rough sketch showing the situation of these villages it will be seen that Vada Agaram is separated from its village (Tirukkavur) by backwater swamp 2 miles broad. It is reported that 4 or 5 feet of water stands on the swamp from October to January when cultivation is in full swing and the karnam should visit the village in consequence. As the swamp is unpassable then, it is desirable that Vada Agaram should be clubbed with the Uranivattam which is close to it.

3. The proposed transfer necessitates the appointment of an additional taliari for Uranivattam, as the population of that vattam will then exceed 1,500. The increase in establishment cannot be met by any reduction in that of the Tirukkavurvattam, whose population will be over 1,500 even after the proposed transfer.

Resolution—Mis. No. 1752, dated 13th May 1897.

Submitted to Government with the Board's recommendation that the Collector's proposal may be approved and sanctioned.

(True Extract.)
