Note

In the para quoted in the draft above the Board said: "If the Govt. is not satisfied with the estimate framed by the Agent and Engineer-in-charge of the Nilgiri Railway, arrangements will be made for registering the traffic at a convenient station during the next year or two?"

The best thing

appears to be to assign
the work to the Board of
Revenue, especially if
it is to find the ^{necessary} funds.
It will probably be able
to do it cheaper than the
District Board.

There is a provision
of Rs 8000 in the Budget esti-
mate for the next year, under
26 J. Scientific &c. Depts - Provincial
statistics, for the registration
of road traffic, land trade.
