Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of Bolla palli extension No. 2 block in the Vinukonda taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE (LAND REVENUE).

READ—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement duty, Nellore, &c., Districts, to the Collector of Kistna, dated Sangam, 31st August 1896, Ref. on Cur. No. 45:—

I have the honour to report the conclusion of the settlement of the proposed Bollapalli extension 2, No. 69, in the Vinukonda taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 29th October 1889, and the proclamation under section 6 of the Act was published in the District Gazette of January 1890.

3. M.R.Ry. D. Jagannadha Row Pantulu Garu was originally appointed to settle the block and afterwards Messrs. J. T. Lever and R. H. L. Lushington, and by notification published at page 1241 of the *Fort St. George Gazette*, dated 5th November 1895, I was appointed the Settlement-officer.

4. The reserve was inspected, perambulated and enquired into by M.R.Ry. D. Jagannadha Row Pantulu Garu, and sixteen claims were preferred for the following rights: Fourteen claims to Government patta and inam lands; two claims to certain acquired under the Land Acquisition Act except one sub-survey No. 104 of Kanamalachervu which was subsequently found to lie outside the reserve.

5. The originally notified area of the reserve was 7,000 acres; but the revised map shows it as 5,040 acres. The District Forest-officer says that the latter figure was arrived at on survey.

6. The reserve is thus free of all rights except those stated above.

7. The following are submitted herewith:—

- (1) A signed copy of the B. Register of claims.
- (2) Draft notification under section 16.
- (3) Sketch-map of the reserve.

8. The date from which reservation is to take effect has to be inserted in the draft notification.

B-16 A-16.	Lanjapola Gundala Sayaboyina Chinna and Ramiah of Kanamalachervu.	16th Dec. 1895.	Claim survey No. 105 of Kanamalachervu of which 6 acres assessed at Rs. 4-8-0 are included in the reserve and are willing to take in exchange 6 acres of survey No. 103 of Kanamalachervu.	The karnam of the village who has been examined, says that although the patta for the land stands in the name of Serigiri Ramiah who died about 10 years ago, yet the land is in the possession and enjoyment of the claimants who have purchased it. The Tahsildar of Vinukonda also reports that there is no objection to the admission of the claim in the name of the claimants as they have produced a registered sale-deed in their names and he is taking steps for the transfer of the patta in their names.	The claim was taken at the instance of the District Forest-officer who pointed out that No. 105 and not No. 104 should be acquired— <i>vide</i> claim No. B-7-A-12.	Claim admitted to the portion within the reserve. The land will be acquired under the Land Acquisition Act by the grant in exchange of 6 acres of survey No. 103 of Kanamalachervu assessed at Rs. 4-8-0 in addition to a money compensation * of Rs. 6-6-6 sanctioned by the Collector in his Proceedings, No. 1403-Ver., dated 24th April 1896. (Signed) E. A. SMITH, Forest Sett.-officer. 15th August 1896.

* The compensation was paid in October 1896.

RESOLUTION—Forest No. 171, dated 28th April 1897.

The draft notification under section 16 received with the letter read above will be submitted to Government, with the following remarks, for approval and publication in the *Fort St. George Gazette*, the 31st July next being recommended as the date from which reservation shall take effect:—

(i) *Claims 1—6.*—The number of the Board's Proceedings sanctioning exchange of lands is wrongly quoted by the Forest Settlement-officer in the note appended to the decisions on these claims. The correct number 3,226 has been entered in the register.

(ii) *Claim 8.*—With reference to the lands dealt with in this claim, it is observed that the fresh grant is made out of survey No. 134-17 of Perurpad as given in statement I (*item 7*) disposed of in the Board's Proceedings referred to above and not out of the fields mentioned in the note appended by the Forest Settlement-officer.

(iii) *Claim 11.*—The authority sanctioning the exchange should have been given in the register as in other cases.

(iv) *Claim 15 (Item 2).*—The survey stone referred to in the description of the point of entrance of this path lies at the north-west corner of the Kanamalacheruvu village surveyed portion according to the notification and map, and not at the north-east corner as given in the register. The necessary correction has accordingly been made in the register.

(v) *Unsurvey No. 19* referred to in the northern and eastern boundary description of the reserve should have been indicated on the sketch-map in order to facilitate verification in this office.

2. The block lies in the Vinukonda taluk and covers an area of 5,040 acres as finally settled.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 171, dated 28th April 1897:—

Read—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement duty, Nellore, &c., Districts, to the Collector of Kistna, dated Sangam, 31st August 1896, Ref. on Cur. No. 45:—

I have the honour to report the conclusion of the settlement of the proposed Bollapalli extension 2, No. 69, in the Vinukonda taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 29th October 1889, and the proclamation under section 6 of the Act was published in the District Gazette of January 1890.

3. M.R.Ry. D. Jagannadha Row Pantulu Garu was originally appointed to settle the block and afterwards Messrs. J. T. Lever and R. H. L. Lushington, and by ber 1895, I was appointed the Settlement-officer.

4. The reserve was inspected, perambulated and enquired into by M.R.Ry. D. Jagannadha Row Pantulu Garu, and sixteen claims were preferred for the following rights: Fourteen claims to Government patta and inam lands; two claims to certain rights of way. All the claims were admitted, and the patta lands have all been acquired under the Land Acquisition Act except one sub-survey No. 104 of Kanamalachervu which was subsequently found to lie outside the reserve.

5. The originally notified area of the reserve was 7,000 acres; but the revised map shows it as 5,040 acres. The District Forest-officer says that the latter figure was arrived at on survey.

6. The reserve is thus free of all rights except those stated above.

7. The following are submitted herewith:—

- (1) A signed copy of the B. Register of claims.
- (2) Draft notification under section 16.
- (3) Sketch-map of the reserve.

8. The date from which reservation is to take effect has to be inserted in the draft notification.

B-16 A-16.	Lanjipolu Gundala Sayaboyina Chinnia and Ramiah of Kanamalachervu.	16th Dec. 1895.	Claim survey No. 105 of Kanamalachervu of which 6 acres assessed at Rs. 4-8-0 are included in the reserve and are willing to take in exchange 6 acres of survey No. 103 of Kanamalachervu.	The karnam of the village who has been examined, says that although the patta for the land stands in the name of Serigiri Ramiah who died about 10 years ago, yet the land is in the possession and enjoyment of the claimants who have purchased it. The Tahsildar of Vinukonda also reports that there is no objection to the admission of the claim in the name of the claimants as they have produced a registered sale-deed in their names and he is taking steps for the transfer of the patta in their names.	The claim was taken at the instance of the District Forest-officer who pointed out that No. 105 and not No. 104 should be acquired—vide claim No. B-7—A-12.	Claim admitted to the portion within the reserve. The land will be acquired under the Land Acquisition Act by the grant in exchange of 6 acres of survey No. 103 of Kanamalachervu assessed at Rs. 4-8-0 in addition to a money compensation * of Rs. 5-6-5 sanctioned by the Collector in his Proceedings No. 1403-Ver., dated 24th April 1896. (Signed) E. A. SMITH, Forest Sett.-officer. 15th August 1896.

* The compensation was paid in October 1896.

(i) *Claims 1—6.*—The number of the Board's Proceedings sanctioning exchange of lands is wrongly quoted by the Forest Settlement-officer in the note entered in the register. The correct number 3,226 has been

(ii) *Claim 8.*—With reference to the lands dealt with in this claim, it is observed that the fresh grant is made out of survey No. 134-17 of Perurpad as given in statement I (*item 7*) disposed of in the Board's Proceedings referred to above and not out of the fields mentioned in the note appended by the Forest Settlement-officer.

(iii) *Claim 11.*—The authority sanctioning the exchange should have been given in the register as in other cases.

(iv) *Claim 15 (Item 2).*—The survey stone referred to in the description of the point of entrance of this path lies at the north-west corner of the Kanamalacheruvu village surveyed portion according to the notification and map, and not at the north-east corner as given in the register. The necessary correction has accordingly been made in the register.

(v) *Unsurvey No. 19* referred to in the northern and eastern boundary description of the reserve should have been indicated on the sketch-map in order to facilitate verification in this office.
