Resolution.

In the budget grant for the current year, a sum of Rs 600 only calculated at the rate of Rs 50 per mensem, has been provided on account of house rent for the Meteorological Reporter's Office. As, under the arrangement sanctioned in Government Order, dated 5th October 1896 No 3994 Dis., a house rent of Rs 100 per mensem has to be paid in

the first instance by Government;
an additional sum of Rs 600
is required for the payment
of the current year's rent. Adding
to this the arrears of Rs 150 that
accrued in 1895-96, the total
amount that has now to be
provided for is Rs 750. The
Board does not expect to be
able to meet this additional
expenditure from savings in
the budget provisions under
26. Scientific, and other minor
Departments so far as they
are controlled by it. Savings
are however, expected in the
provision under "30 Stationery
and Printing - Printing at Private
Press - Printing Settlement
Registers", and from this,
the Board considers, the
additional allotment of

Rs 750

Rs 750 can be made.

2. The re-appropriation statement
prescribed in rule 87 of the Rules
for preparing budget estimates
is herewith submitted.
