An extra allowance and
certainly be granted to those
more than how or other. I do
like to know what the P. & A.
Committee think of the proposed
allowances of Rs 150, 50 & 20.
They seem low unreasonably
high.

Rs 150 perhaps is rather high. I
don't think Rs 50 + 20 are -

Abstract of the above Statement

N^o from Subdivisions

To what district

Bhatnagar - 3 . . . Ganjam (2) Anantapur (1)

Bhicacole - 12 . . . do. (1) Anantapur (1) and Vizagapatam (10)

bocanada - 9 . . . Anantapur (2) and Vizagapatam (7)

In other words.

Ganjam (3) Vizagapatam (17) and Anantapur (4)

Thus 24 Sub Inspectors from my Division have already been told off for famine duty.

2. With reference to the Board's telegram of 26th June 1897 on my official memorandum dated 19th June 1897, I have also placed the services of Messrs. Brown, Fleming, Lillard, and Whoughton at the disposal of the Collector of Vizagapatam. Mr. Brown has

been appointed Taluk Relief
Officer for Rohili and Paavati-
pur Taluks and Mr. Fleming
for Sanvalidhi. Mr. Horne
also expects to avail himself
of the services of Messrs. Lillard
and Wroughton immediately. I
have cautioned Mr. Horne that
Mr. Irving Brown may find
the strain of two taluks too heavy.
At present they are not being
worked up to their full strength.
Mr. Brown will have an
Assistant at the end of this
month when the Distillery School
closes.

3. Referring to the Board's
telegram of the 2nd instant to which
my telegram quoted above is a
reply, I wrote semi-officially
to the collector of Ganjam that

370
I had moved to the Board that
he could have Mr. Eucator for
the Chicacole Taluk on the lines
suggested in my official memorandum
dated 19th June 1897 of which I sent
him a copy. I also suggested to
Mr. Brindley, adding that I
could not recommend any of
the other Circle Officers in his
district. I have also asked
him how many Sub Inspectors
he wants and told him I will
comply with his demands as far
as I possibly can. I have further
advised him to deal with me
direct to save time. The Board
can trust me not to cripple
myself to do so.

4. I conclude Mr. Stone is
required for the Rajahmundry taluk.
He can carry on with the aid of
his Assistant till December next
when palmiers begin to yield.

5 I desire particularly to draw attention to the last sentence in my office memo of 19th June which runs:-

"The men must all get good extra pay for their increased work and responsibilities."

It is necessary that officers on whom double duties and responsibilities are thrown should receive consideration for the same and I expect the same to be granted with no stinted hand."

Read also the following telegram from the Deputy Commissioner Northern Division dated 8th July 1897:-

"Taylor wires he would prefer Brindley, who knows Uriya to Stone or Greston solely for famine. I require Greston Calingapatam till reversion

4P
reversion monopoly Complete.
Shriene can take charge Gajam under Simpson's immediate eye. Id Narayanaswami Mudali can carry it on in Rajahmundry for a time if Stone goes. Have just given to Taylor V. Jaganada Rao and Kuvimanayakulu Nayadu as overseers. Four other names will follow directly.

Resolution

The following telegram will be sent to the Deputy Commissioner Northern Division.

"Give Collector Vizagapatam any Overseers or other officers he wants with reference to his 2326 dated 1st instant. Report by wire from time to time names of any officers supplied and class of appointments they will fill. F. W. Cahan relieves Brindley who with Stone will be ordered

famine duty Gajam."

2. The Famine Commissioner's attention will be invited to para 5 of the Deputy Commissioner's letter read above and he will be requested to consider whether any extra emoluments can be granted to the men placed at his disposal for famine duty. The Board would urge that a liberal allowance may be made as they will have not only extra work and responsibility but extra expenses to meet.

Resolution

In para 2 of his proceedings read above the Commissioner of the Salt, Akbari and Customs Department asks whether any extra

5-10

extra emoluments can be granted to the officers of his department deputed for famine duty. This is a matter for Government to decide, and the Famine Commissioner who heartily endorses what is said on this subject by the Commissioner and Deputy Commissioner, begs to suggest that the following allowances may be sanctioned for the various classes of officers

2. Officers of the Separate Revenue Department are — employed ^{famine duty} as (1) Taluk Relief Officers (2) Overseers (3) Circle Relief Inspectors.

For (1), Inspectors and the higher grades of Assistant

Inspectors are taken; for (2), the lower grades of Assistant Inspectors and the upper grades of Sub Inspectors; for (3) Sub Inspectors. The duties of a Taluk Relief Officer are onerous and responsible and the Famine Commissioner. Considering, ~~as~~ whatever his grade, he should receive an allowance of Rs 150 per mensem. Assistant and Sub Inspectors, working as Oversmen should receive Rs 50 per mensem. and Sub. Inspectors as Sub Relief Inspectors, Rs 20 per mensem; the allowance to Sub Inspectors should be exclusive

610

exclusive of the Travelling allowance recommended in Board's Proceedings No 4875^{2nd} dated 3rd July 1947.

3. The Famine Commissioner is aware that these allowances will be, in many cases, in excess of the limit of 20 per cent of salary fixed by article 98 of the Civil Service Regulations, but, they are below the allowances which can be granted under article 101. The case of the Salt and Alkali Department Officers is worthy of consideration for though they may be not transferred from one Presidency.

to another, they are to be
employed upon duties of an
onerous, and to them, unusual,
nature. It is for the latter
reason that Military Officers
are assigned a higher rate
of allowances, irrespective
of whether they are transferred
from their own Presidency
or Province or not, and as
Military Officers likely to
be working alongside Salt
and Akhain Department Officers
on similar famine duties,
it seems fair that the
latter should be granted
allowances, which more
nearly approximate to those
of article 101 than would
be.

7P
be permissible under article
98.
