Resolution.

Submitted to Government in continuation of Board's Proceedings No.3118 Routine dated 16th November 1896 recorded in G.O.No.4958 Mis.dated 4th December 1896.

2. The number of cases disposed of during the month under the old settlement was only 3 which related to the Palghat taluk. In the remaining taluks, viz, Chirrakal, Kottayam, Ernad & Ponnani, not a single ^{case} ~~had~~ been settled since April last. The work done in connection with the preparation of quitrent pattas, registers and title-deeds was also very little. It is observed that the number of cases shown in the statements for August and September as pending in the Chirrakal taluk is 68 or 30 less than that shown in the statements for July although no case was disposed of in August & September. The discrepancy should be explained.

3. Claims to 315 plots of land remained to be investigated at the beginning of the month under the new settlement, of which 18 relating to Cochin were ~~not~~ settled during the month. In the Walluvanad and Ponnani taluks no work was done except the preparation of a few quit-rent pattas, registers and title-deeds.

4. The Board is again constrained to remark that the work is not

proceeding satisfactorily. It awaits the receipt of the explanations call-
-ed for in para 3 of Board's Proceedings No. 4666, dated 14th October ---
1896, which the Collector states, will be submitted shortly.
