Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture.)

Dated 18th August 1897.
No. 6620 m.

READ the following letter from the Collect of Buddapah, current No. $\frac{3436}{\text{Rev}}$, dated 3 August 1897.

Large numbers of applications for loans are now being received in the Taluk of Dayachoti and Voyalpad. In pursuance of the stringent orders issued by me to the Tahsildars and divisional officers that there should be no delay whatever in the disposal of these applications, applications for Rupees 3928 have been accepted in Dayachoti, and for Rs. 2,940 in Voyalpad; but the existing establishment has been found to be unable to do more work, as applications are coming in increased numbers. In Voyalpad about 150 applications were received in the last week of July alone. The number of applications received in the last month

July) was more than 860, and it is believed that many more will be put in in the current month. The total number of applications for each class of loans pending at the end of the last week is shown in the subjoined statement. All of them are of less than two months' duration.

Taluk	Land Improvement		Agriculturists'		Total
	no.	amount	no.	amount	
choti	133	14,056	933	39,314	1,066.53,370
alpadi	44	5,740	143	9,250	187.14,990
Total	177	19,796	1,076	48,564	1,253.68,360

It is desirable that the applications should be disposed of with the greatest expedition possible, in order to enable the borrowers to commence agricultural operations or Land Improvement works, I have the honor to recommend that the Board will be pleased to sanction a Special Loans Tahsildar for these Taluks. This officer will, if necessary, be placed in charge of Gadani Taluk also, where 99 applications for Rs 7,170 are pending.

2. I request the favour of very early orders.
