Resolution

Recorded.

2. With reference to para 2 of the Government Order, the Board submits that the difference of Rs 200 — between the amount of recoverable balance as entered in No. 595 in statement II at page 2 of Board's Proceedings 1897-2-6-97 and that given in Appendix A at page 6 was due to a discrepancy in the figures furnished by the Collector of Tinnevely in column 15 of D. L. B. statement and the details given in enclosure A to the same statement as remarked in the Foot-note at page 2 of the Board's Proceedings. The Collector has since reported that the figure.

Figure in enclosure A should be increased by Rs 200 to correspond with the amount in Column 15 of the District D.C. B statement. The correct recoverable balance is therefore Rs 58,168 as given in Appendix A at page 6 of the Board's Proceedings. The difference of Rs 172 between the above figure and the amount of recoverable balance entered in para 2 of the Board's Proceedings was due to the omission by the Collectors of North Arcot, Tinnevely & Coimbatore to include in their D.C. B. statements the marginally noted sums which were recommended to be written off the accounts in their statements of irrecoverable arrears for the quarter ending 31st March 1897. These sums were duly taken account of in the statements at pages 2 & 6 of the Board's Proceedings ^{while} the amount entered in para 2 of the Board's Proceedings represented the recoverable balance as reported by Collectors.

The above explanation applies to the discrepancy pointed out between the totals of Columns 2 to 4 of Statement II and the figure given in para 4 of the Board's Proceedings. The necessary alterations have now been made. (See Extract)
