SUBJECT.

Recording letter from the
Collector of Godavari reporting on
the several points raised in
Board's Proceedings No. 468 A. dated
28th June 1897.

It is necessary to call attention
to the fact that many orders
are being paid by the Govt. without
the sanctioning of the Govt. which is
the rule but with tacit
sanction of the Finance Com.

The F.C. objected to many orders at first
He now records as valid the Govt. orders
which were objected to at first.

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 17th August

1897.

No. 6529 Mis.

READ the following letter from the Collector of Godavari, F Dis
No.25/ver of 97, dated 4th August 1897.

With reference to Board's Proceedings (Revenue Settlement, Land Records and Agriculture) dated 28th June 1897 No.468 A, para 8, I have the honour to state, that both the Assistant Collector and the Probationary Deputy Collector have protested very strongly against grain doles. As they say, they distribute gratuitous relief not only at places where there are grain depots, but at many others, so that they cant give grain doles everywhere and even at places where there are depots the money system is the best, as it only confuses the grain depot accounts to take grain from them and distribute it, putting down Government as the buyer, and the recipients too object. In the depots, there is only grain and what they do, is, to invest nearly all their allowance in grain, but reserve a fraction for salt and other things which are also necessaries. As I have been given discretion in the last sentence, I have, considering all things thought it best to allow their objections and have one uniform system and not money, doles where there are no depots and grain doles where there are.

2. In reference to para 7, I have the honour to say, that

*What money

*468 A

I have filled up the vacancies of the 5 Revenue Inspectors doing duty in Bhadrachalam appointing them additional Revenue Inspectors there. They will get, and do get, agency batta and this is sufficient remuneration for the extra duty, as they are not doing the work of Circle Inspectors, in that they are not distributing relief. This is being done by the Probationary Deputy Collector in the Bhadrachalam Range assisted by the Tahsildar and occasionally by Mr. Cain. In the Rekapalli and Marrigudem Ranges it is being done by the Assistant Collector with the assistance of Mr. Ward and a friend Mr. Schwalee.

5. In reference to para 5 I have to say that differential rates were abolished. I have also thrown the depots open to all castes with this proviso that a Koya or Reddi is entitled to buy at them without question and a punchama unless he is known to be well off. In the case of other castes, the depot Keepers must be satisfied that they are poor and in need of the concession. That is, they can't be so relieved unless they can prove themselves deserving.
