Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture.)

Dated 6th July 1897.
No. 4991 ms.

Read the following letter from the Collector of Buddapah; Reference No. 752, dated 25th June 1897.

With reference to para 2 of B. P. G.O. 3252 No. 4367 ms; dated 16th June. I have the honor to respectfully point out that Section 3 of the Famine Code does not mention the Famine Commissioner. I must, therefore plead not guilty to the charge of forgetfulness.

2. I was unable to find anywhere the Famine Commissioner's position defined. He does not appear to be mentioned in the Code except in the marginal note to Section 23 and my own responsibilities as to tasks are very clearly defined. I applied to the Board, as I presumed for above reasons that the Famine Commissioner was

one member of Buddapah

government and thus he did not possess the full authority of the Board.

3. I now understand, from the proceedings under reference that his powers of control are unlimited and even in cases where my opinions differ from his, shall accept his orders without demur.

Resolution

With reference to the last sentence of the letter, the Collector's duty of putting forward his own views is in no way lessened by the fact that the Famine Commissioner has full power of ^{direction} discretion and control over all operations connected with distress.
