Proceedings of the Board of Revenue

(Land Revenue),

Dated 19th August 1897.
 File No. 641 Routine Miscellaneous

Read the following. —

Letter Ref. on No. 3277 of 96-97 dated 21.7.97 from Herbert Bradley Esquire, Colly of Coimbatore, (Smt) to the Conservator of Forests, Southern Circle.

In reply to your letter Ref. on. Cur No. 4175 dated 16 June 1897 I have the honor to inform you that it is proposed to supply the fuel in Bolampatti Range from Chinnar and Pholakarai Working circles the system of management being Coppices under standards and in Metupalayan Range from the Gopasari forests the supply to be obtained by means of improved fellings.

2. A special ~~report~~ rate could be quoted for Walayar station but the quantity of wood to be delivered there ^{would} not be very large.

Lo No 71.

Copy submitted to the Board of Revenue, in continuation of this ^{Office} letter C 4175 30.6.97

In view of the prices quoted by Malabar Railway Company will scarcely pay for Bolampatti wood at this rate even if the forests are worked in coppice over any extensive area.
