no. 3047 of 97 dated 5th August 1897:-

In reference to Board's Proceedings 5860 mis, dated 27th July 1897, I have the honor to report that the famine relief work in connection with which the combined kitchen and poorhouse have been ordered to be opened in anticipation of sanction, is the Ramaraspur Road on the outskirts of Coacanada town started under the supervision of the District Board. It is a good mile off the main town and so is the poorhouse.

Sincere X

which was considered necessary, the Assistant Surgeon having reported that the Vizagapatam paupers were using the streets for purposes of eating, sleeping, excreting and often when attacked by Cholera for dying in. These paupers have since left the town in large numbers for their own homes hearing of the marked change in the season there or gone elsewhere and there are only some hundreds now scattered about the town. The number on the test work has also fallen rapidly from 500 to 102 on the 29th Instant; therefore only two small sheds have been run up to accommodate about 70 or 80 people and more will only be erected if need be according to requirements. I therefore request that the sanction of Government may be obtained for

for the establishment of the Kitchen and poor house notwithstanding they are not 5 miles from the town; as the site has been selected by the Assistant Surgeon of the place in consultation with the Divisional officer and myself and is intended for the relief of those emaciated pauper immigrants who are still to be found in the town begging. Such persons the police have been ordered to compel to go to the poor house as they are public nuisance at present and they could not well be compelled to go further.

Resolution

The Collector's action.

is approved under the
circumstances stated.

2. The Kitchen and poorhouse
should be separate institutions.
At the latter residence should
be enforced, and the conditions
of the code carried out with
the utmost strictness.
