Have just returned from

Bhadrachalam and find things very critical. During last few weeks numbers on gratuitous relief have risen by leaps and bounds and now over 7,000 receiving such relief. More are not relieved than necessary, for Koya population generally below par and many distinctly emaciated, though extreme emaciation absent. Their crops, especially fingerlings, are good, but on all hands it is alleged there is no grain for sale in taluk and no merchants with advances on crops. Must be true or Koyas would not be as they are. Depots emptied also recently far quicker than anticipated. 600 bags of grain went up by steamer this morning and 1100 bags so tomorrow by Railway Steamer.

Kindly lent. This will make things safe.

Railway steamer should reach Kinneram
Monday and other steamer Bhadrachalam

Tuesday. The sudden increase in distress
has exhausted funds. Request Rs 12,500

more by wire.
