REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 25 August 1897.

No. 6842 Miscellaneous

READ the following letter from the Collector of Vizagapatam B. G. No. 707 dated 9th August 1897.

The question has arisen as to the rate of pay to be drawn by the officers of the Salt Department deputed for duty as Salt Relief Officers

In

In the absence of instructions I have told them to draw pay from Famine Funds at the same rate as they were drawing in the Salt Department and Travelling allowance and half Carriage of tents in the same way.

2 I venture to press the Claim of these officers to some allowance in addition to their ordinary pay. They have been deprived of their houses, generally of half their tents and of their clerical and menial establishments, and I submit that

that an officer transferred under these disadvantages to an arduous and uncongenial kind of work is deserving of some Compensation and encouragement.

3. The Sub Inspectors of the Salt Department who are employed as Circle Inspectors get Considerable advance on their pay which Compensates them for the loss of the money which they would otherwise earn as rewards for detection of Cases

2nd Resolution

The Collector will be informed that the Government has been addressed on the question of the Extra allowance to be paid to Salt and Abkari Officers deputed to famine duty and that until the orders of Government are received, they must Continue to draw pay at the same rate as they were drawing in the Salt and Abkari Department except in individual Cases where a higher rate of pay has been sanctioned by Government.
