READ—the following paper:—

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 5838, dated 27th July 1897.

Read—the following letter from the Collector of Vizagapatam, dated 9th July 1897, R.C. No. 4768:—

Adverting to Board's Proceedings, Mis. No. 6226, dated 7th December 1896, Revenue Settlement, I have the honour to report that I recovered Rs. 500 from the agraharamdars of Petagollapalli agraharam, which was the amount first offered by them, and which, in my opinion, was a fair proportion of the expenditure on the tank in question to be charged to them. The Superintending Engineer, I Circle, informs me that the total expenditure on the tank was Rs. 1,794-1-5, as detailed in the margin. Deducting from this the Rupees 500 recovered from the inamdars, a sum of Rs. 1,294-1-5 has to be paid to the Public Works Department from the minor irrigation grant of the official year, as directed in G.O., No. 895 I., dated 29th October 1896. I beg to state that I have no funds to spare for meeting this charge, and therefore request that the amount (Rs. 1,294-1-5) may be placed at my disposal from the Board's reserve.

2. The grant now applied for is in addition to the Rs. 1,200 asked for in my telegram of the 8th instant.

Resolution—Mis. No. 5838, dated 27th July 1897.

The Collector will be informed that, under Board's Proceedings, No. 72, dated 8th February 1894, the whole cost of the work should be debited to the grant under minor irrigation works and the amount recovered from the agraharamdars shown as receipts under the same head. As the work was executed by the Public Works Department, the cost should be met from the sum of Rs. 35,000 placed at its disposal for repairs of minor irrigation works on behalf of the Revenue Department during the current official year. The Chief Engineer for Irrigation will accordingly be requested to debit the cost, viz., Rs. 1,794-1-5, to that head.
