Proceedings of the Board of Revenue

(Revenue, Settlement, Land Records and Agriculture.)

Dated 21st August 1897.

No. 6708 Miscellaneous

READ the following letter from the Collector of Ganjam,

T. C. No. 2553/7 dated 21st July 1897:—

I have the honor to request instructions as to what steps should be taken on the closing of a relief work, in regard to the arrears under roll of

of alexandee Coolies

2. I presume that this should be handed over by the Paymaster to the Taluk Officer who should endeavour, as far as possible, to make payments being given an impress for the estimated amount of arrears by the Public Works officers Concerned.

3. With a view, however, to finally closing the account of each work, I consider that some limit should be fixed, within which payments as far as possible should be made and would suggest that one month be allowed from the closing of the work for the final closing of the accounts in Connection with the same.

Resolution

The Collectors attention is invited to the note to part III of Form E of Appendix III of the Famine Code (page 65):-

"All wages not claimed within 3 months will, as a rule, be forfeited and go to

1/0 the Credit of the work."

2. The Suggestion in para 2 of the Collectors' letter is approved.
