Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture.)

Dated 17th August 1897.

No. 6537 Mis:

READ the following letter from the Special Deputy Collector in charge of Weavers Relief operations Deccan districts to the Collector of Anantapur dated 27th July 1897 Reference No: 258/97 :—

I have the honor to submit herewith Arzi (Reference on C. No: 149/23.7.97) from the special deputy Tahsildar, Weavers Relief, Tadpatri forwarding petitions from the appraiser and the Paymaster at Tadpatri representing their inability to furnish security in the shape of Government security, stock notes or Savings Bank

Bank deposit as ordered in your Proceedings dated 16th instant Reference on c no: B.R. 1587/17.7.97.

2. As regards the appraiser, I am of opinion that in view of the responsibilities attached to his office, the pay of Rs 20 allowed to him under the existing scale is inadequate, the more so, as the manufacture of turbands has been included in the scheme, and as by requiring him to furnish cash security or what practically amounts to it to the extent of Rs 500, his pay is in effect reduced to about Rs 15.

3. At the same time, I must mention that the appraisers at Jammalamadugu have already deposited cash security to the extent of Rs 500 each. But I know they are not contented with their pay. The appraisers at Adoni and Yemmiganur in the district of Bellary, draw Rs 25 and the security required of them is Rs 300. The scale adopted in Kurnool District ~~in the district~~ is, however, Rs 20 only, but I am not aware that they have deposited cash security.

4. My view is that the pay may be raised to Rs 25, and that instead of a Cash security of Rs 500, a sum of Rs 250 in Cash or Savings Bank deposit, may be required. As stated by the Special Dy. Tahsildar, Rs 250 is a sufficient sum to secure Government against possible losses due to the inefficient discharge of duty by the appraiser.

5. The Paymaster may be required to furnish security in cash to the amount of Rs 500, as provided by the rules and his present pay seems sufficient. The only places where the Weavers' Paymaster gets Rs 30 are Adoni and Yemmiganur. It is true that they have as yet not been required to furnish security

Pc Security but their responsibilities
Dn are greater in as much they
K maintain the Ledgers which
at Jadpatri is kept by the
C Apparaiser. The value of yarn
o issued in a fortnight at
t Jadpatri at the present rate
of consumption is about 5000 Rs
but as mostly the yarn is in
bales, and as the Pay Masters
work is subject to the Constant
supervision of the Special Dy.
Tahsildar, there are not much
chances of fraud, of course,
loss might occur from
incorrect calculations in
issuing yarn. But taking
all things into consideration,
the security of Rs 500 is
in my opinion, adequate.

6. I would, in this
connection, suggest that
a weekly report of the
verification

verification of the balance
of the stock of yarn may
be required from the Special
Deputy Tahsildar to be
submitted to you, through me.
