Vythilingam Menon Avl B.A.,
Deputy Collector, Kollegal,

To

The Collector of Coimbatore.

Sir,

Reference No 908/Rev of 96. Kollegal Deputy Collector's Office, Dated, Kollegal, 9th December 1896.

In para 2 of the Board's resolution dated 27th August 1895, No 313 (Land Revenue) it was stated in reply to a reference from the Government of India regarding the provision of houses for public officers holding positions of trust and responsibility that "the Local Government should be empowered to deal with each case on its merits and build an official residence whenever it is satisfied that suitable accommodation is not otherwise available. Ordinarily no official under the rank of a Divisional officer need be provided with a residence at the expense of Government."

2. The Tahsildar of Kollegal has been suffering for a long time for want of proper house-accommodation which is not available even for a comparatively high rent. He is a Magistrate exercising 2nd class powers owing

owing to the absence of a Stationary Magistrate for this Taluk and his position is therefore one of much and responsibility to which the Government of India orders apply.

3. The malarious nature of the place and the sickness which it frequently produces, renders the provision of suitable quarters most necessary both in the interests of the administration as well as of the Officer concerned, and I have therefore the honour to recommend that his case may be specially treated and submitted for the favourable orders of the Board and Government. The local Police Inspector and the Forest Ranger have for a long time been provided with suitable quarters. The Deputy Collector is being, and the Civil Apothecary will soon be, similarly provided and the next Officer that remains is the Tahsildar-Magistrate whose case deserves your full sympathy and support.

I annex an extract from a report made to me by the Tahsildar on the subject.

"You have personally inspected my house and expressed commiseration owing to the wretchedness of my accommodation. Even that accommodation will not long be continued, for I understand the owners want the house for their own use. It is impossible to get anything like a decent building in Kollegal. The lot of a public servant who is in a state of constant anxiety regarding dwelling accommodation can be better conceived than described. Under these circumstances I beg to request that you will be pleased to recommend that a house may be constructed for me subject to the payment of the usual rent."

I have the honour etc.

Deputy Collector

With reference to para 2 of B.P. dated August 27th 1895, No. 313 (L.R.), I have the honour to recommend strongly that a residence should be constructed at Kollegal for the Tahsildar of that Taluk. There is the greatest difficulty in obtaining house accommodation there at all even for natives. A copy of the Deputy Collector's letter on the subject is enclosed.
