G.O. Mis. No. 4706 d/ 7 Sept 97

Of the three items shown in the statement submitted by the Collector with his letter dated 10th July 1897 a lease to the Roman Catholic authorities of the first one was sanctioned by Government in the marginally noted order. The second item comprises three different grants, of which one embracing 3070 sq. yards was sanctioned in G.O.No.6851 Military, dated 4th December 1893 and the other two, (embracing 3512 and 1565 sq. yards respectively) though first made by the Military authorities of their own motion, were subsequently reported to Government. As regards the last item nothing is known in the Government office. The Collector in para 6 of his statement reports that the grant was made under para 3000 &c. of the Army Regulations India Volume II, Part II. But as observed in G.O. No.1989, dated 13th April 1897, that article authorises the grants of land only for the purpose of erecting thereon

green officers' quarters or shops for the convenience of residents and neither the erection of a church nor the extension of its compound is such a purpose.

That the scope of para 3000 was correctly understood by the Military authorities is clear from para 1 of the Quartermaster General's letter, dated 11th July 1887, No.1735 B, read in G.O. No.776 Revenue, dated 12th August 1887. The papers will accordingly be returned to the Collector once again with the instruction from the Military authorities that he should ascertain and report whether the sanction of the Local Government or of the Government of India was obtained to the grant in question, and if not, whether it may not now be cancelled as unauthorized. The Collr. is also requested to submit a sketch showing clearly the lands granted to the Catholic authorities from time to time and that now proposed to be exempted from payment of quit rent.
