G.O. Vis. No. 4706 d/7 Sept 97

OF the three items shown in
the statement submitted by the Collec-
tor with his letter dated 19th July 1897
a lease to the Roman Catholic authori-
ties of the first one was sanctioned by
Government in the marginally noted order
14th January 1898. The second item com-
prises three different grants, of which
one embracing 3070 sq. yards was sanc-
tioned in G.O. No. 6551 Military, dated
4th December 1893 and the other two,
(embracing 3512 and 1565 sq. yards res-
pectively) though first made by the Mi-
litary authorities of their own motion,
were subsequently reported to Government.
As regards the last item nothing is
known in the Government office. The Col-
lector in para 6 of his statement re-
ports that the grant was made under pa-
ra 2000 Sec. of the Army Regulations In-
dia Volume II, Part II. But as observed
in G.O. No. 1939, dated 13th April 1897,
that article authorises the grants of
land only for the purpose of erecting
thereon

Green officers' quarters or shops for the convenience of residents and neither the erection of a church nor the extension of its compound is such a purpose. That the scope of para 2000 was correctly understood by the Military authorities is clear from para 1 of the Quarter Master General's letter, dated 11th July 1887, No. 1735 B, read in G.O. No. 773 Revenue, dated 12th August 1887. The papers will accordingly be returned to the Collector once again with the ~~instruction~~ ^{from the Military authorities} that he should ascertain and report whether the sanction of the Local Government or of the Government of India was obtained to the grant in question, and if not, whether it ~~should~~ ^{may} not now be cancelled as unauthorized. The Collector is also requested to submit a sketch showing clearly the lands granted to the Catholic authorities from time to time and that now proposed to be exempted from payment of quit rent.
