Resolution

Submitted to Government.

2. In its order No. 656 Rev., dated 10th September 1894 Government sanctioned the entertainment of 402 temporary menons in Malabar on a pay of Rs. 3 each at the rate of one for every Amshom having a revenue of over Rs. 2,333/3. This addition was intended to strengthen the village establishments of the District generally, pending the next general revision and it was also expected to meet all the requirements of the Survey and the Settlement operations. The Collector now recommends that the pay of the temporary menons may be fixed at Rs. 5 each. The Board supports the proposal. The Collector also requests sanction for the employment of temporary menons on Rs. 5 each in connection with settlement operations in Amshoms not conforming to the prescribed revenue limit. Similar establishments having been allowed in South Canara, the Board recommends that the proposal may be sanctioned on the condition that the additional menon is kept on only during the currency of settlement operations in an Amshom.
