REVENUE DEPT

To

His Excellency Sir Arthur Havelock, The Governor in Council, Madras.

The most-humble petition presented by ryots of Mellusee, Ramachandrapuram Tq. Godavary Dt.

My Lord,

We, the petitioners humbly beg Your Lordship to bring the few following lines in Your Lordship's kind Consideration.

I. The lands of our village not-being fertile, they would not-yield good Crop of paddy and they are not fit for Ragi, Cane, Garden plantation nor for dry Crops.

II. During the transplanting season of every year the village is subject-to drainage flood from all the neighbouring villages, this village being too low and the Crop will be damaged to much extent-every year.

III. In the last-settlement, the rate of assessment-was 3 to 5 and the water Cess was hitherto-to Rs 4/. and it is to our misfortune increased to Rs 5/. By the excess assessment-and by not-reaping good yield-from the lands, we, the ryots have been impoverished to much extent.

IV. To satisfy your Lordship that our village is lower than other villages, we herewith enclose a list-of copies of Pay Takis from the respective Tahsildars of

of their Valley and to D. S. W. address.

V. We therefore humbly pray Your Lordship may be pleased to license our Ten in the new settlement and the water to as well, for which act of kindness we shall, as in duty bound, ever pray.

We beg to remain
My Lord
Your most obedient Servants
