PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following.

Proceedings of the Board of Revenue
(Separate Revenue) dated 3rd August 1897, No
No. 3330.

Read the following letter from
the Collector of Godavari, Reference on
current No. 1052 of 1897 dated Secanada
19th July 1897.

The godown on the eastern side
of the Sea Coast is in a very bad
the building in which the Secanada and
office is located are in need of urgent
repairs as the galvanised iron roofing
of the former is leaking very badly and
there is much damage to the goods stored
therein in consequence. It is now proposed
to replace it by a tiled roof. The plastering
of the walls of the office building requires
renewal above the cemented portion. This
may not cost more than two hundred Rs
but as the repairs to the roof of the godown
will cost Rs 1000 or so, and as the two de-
scriptions of work may conveniently be
executed at one and the same time, I ha-

the honour to request that you will be so good as to obtain the sanction of Government to the preparation of the necessary estimates and the execution of the work in the current year by the Public Works Department. No provision was made for these works in the current year's budget as they were not foreseen at the time of its submission but they cannot be safely put off any longer and this is why I am obliged to send a special communication on the subject."

Resolution

Submitted to Government with the recommendation that orders be issued in the Public Works Department.
