GOVERNMENT OF INDIA

Statistical Bureau

(Railborne and Riverborne Trade).

To

The Secretary to the Govt. of Madras.

Simla, the 28th August 1897.

SIR,

In the quarterly and annual returns of the trade carried by rail and river the totals of the principal items, when these are divided into two or more heads, are not given. For example, no total is given of the item "Dyeing and tanning materials," the totals given being only those of the heads exhibited under it, namely, Cutch, Indigo, and so forth. If the aggregate of "Dyeing and tanning materials" were given, and if it were given in all such cases in the provincial returns, the returns would be more complete and useful, while the work of compilation in this office would be made more easy.

I have the honour, therefore, to suggest that, *with the permission of His Excellency the Governor in Council,* the authorities charged with the supervision of the returns may be asked to cause their offices to enter the aggregates of each of the principal items in the returns.

I have the honour to be,

SIR,

Your most obedient Servant,

J. R. Cunn
Director-General of Statistics.
